I authorize the professional office of my optometrist named above to release health information identifying me [including if applicable, information about HIV infection or AIDS, information about substance abuse treatment, and information about mental health services] under the following terms and conditions:

1. Detailed description of the information to be released:
2. Name(s) or class(es) of those to whom the information may be released:
3. The purpose(s) for the release (if the authorization is initiated by the individual, it is permissible to state "at the request of the individual" as the purpose, if desired by the individual):

It is completely your decision whether or not to sign this authorization form. We cannot refuse to treat you if you choose not to sign this authorization. We normally do not charge a fee for releasing your PHI. We reserve the right to charge a fee when repeated or extensive requests to release your PHI place an undue burden upon this office.

If you sign this authorization, you can revoke it later. The only exception to your right to revoke is if we have already acted in reliance upon the authorization. If you want to revoke your authorization, send us a written or electronic note telling us that your authorization is revoked. Send this note to the office contact person listed at the top of this form.

When your health information is disclosed as provided in this authorization, the recipient often has no legal duty to protect its confidentiality. In many cases, the recipient may re-disclose the information as he/she wishes. Sometimes, state or federal law changes this possibility.
